the essential haiku brings together robert hass s beautifully fresh translations of the three great masters of the japanese haiku tradition matsuo basho 1644 94 the ascetic and seeker and the haiku poet most familiar to english readers yosa buson 1716 83 the artist a painter renowned for his visually expressive poetry and kobayashi issa 1763 1827 the humanist whose haiku are known for their poignant or ironic wit each haiku master s section of the book is prefaced with an eloquent and informative introduction by robert hass followed by a selection of over 100 poems and then by other poetry or prose by the

poet including journals and nature writing opening with hass's superb introductory essay on haiku the book concludes with a section devoted to basho's writings and conversations on poetry the seventeen syllable haiku form is rooted in a japanese tradition of close observation of nature of making poetry from subtle suggestion each haiku is a meditation a centring a crystalline moment of realisation reading them has a way of bringing about calm and peace within the reader the symbolism of the seasons and the japanese habit of mind blend together in these poems to create an alchemy of reflection that is unsurpassed in literature infused by its great practitioners with the spirit of zen buddhism the haiku served as an example of the power of direct observation to the first generation of american modernist poets like ezra pound and william carlos williams as well as an example of spontaneity and zen alertness to the new poets of post war america and britain universal in its appeal robert hass's *The Essential Haiku* is the definitive introduction to haiku and its greatest poets and has been a bestseller in america for twenty years i know that for years i didn't see how deeply personal these poems were or to say it another way how much they have the flavour basho might have said the scent of particular human life because i had been told and wanted to believe that haiku were never subjective i think it was d h lawrence who said the soul can get to heaven in one leap but that if it does it leaves a demon in its place better to sink down through the level of these poems their attention to the year their ideas about it the particular human consciousness the poems reflect basho's profound loneliness and sense of suffering buson's evenness of temper his love for the materials of art and for the colour and shape of things issa's pathos and comedy and anger robert hass

this book uses the haikai verse and paintings of the brilliant innovative artist yosa buson 1716 1783 as a focal point from which to explore how japanese writers competed for artistic authority in a time when popular responses to economic technological and social changes were creating the beginnings of a modern literature the first part of the book discusses buson s role in the bashō revival movement situating his haikai in the context of the social networks that writers of his time both relied on and resisted the second part explores buson s hokku linked verse and haiga haikai painting the book concludes with a discussion of buson s reception in the modern period and includes translations of his principal works

over 200 of the best haiku poems from japanese literature translated by one of america s premier poet translators and now in one giftable volume the haiku is one of the most popular and widely recognized poetic forms in the world in just three lines a great haiku presents a crystalline moment of image emotion and awareness this illustrated collection includes haiku by the great masters from the seventeenth to the early twentieth century including works by basho buson issa and other japanese poets

the description for this book the princeton companion to classical japanese literature will be forthcoming

basho 1644 94 is perhaps the best known japanese poet in both japan and the west and this book establishes the ground for badly needed critical discussion of this critical figure by placing the works of basho and his disciples in the context of broader social change

this exciting new book explores the relationship between cultural traditions and computers looking at how people from very different cultures and backgrounds communicate and how the use of information technologies can support and enhance these dialogues historically we developed our understanding of other cultures through traditional means museums printed literature etc but the advent of information technologies has allowed us access to a plethora of material tosa asks the question can we understand other cultures using computers as media to supplement thinking and memorization starting with a survey of art and technology moving into the area of culture and technology the book culminates with a vision of a new world based on an understanding of these relationships allowing cultural creators and viewers the opportunity to reach a better and more profound understanding of the role information technology will play going forward

beautiful the reproductions are very fine and the text is truly illuminating among the few authoritative works on the subject japan times with an essay by fumiko yamamoto
