publisher description

fourteen essays by experienced political leaders researchers and scholars examine the political economy and international relations of

the caribbean strategies for sustainable development include proposals to link productive structures among private sectors and increase institutional flexibility

continuing perspectives on the black diaspora is a response to a 1990 publication that studied the persistence and resilience of black african diasporic populations in the caribbean latin america north america and the united kingdom in that book the authors used the themes of persistence and resilience to interrogate the social processes and the coping repertoire of these diasporic populations this volume investigates the often overlooked african presence in asia researchers sought to determine how many of these diasporic populations have fared in the context of political independence globalization economic marginalization and the presence of ethnic conflict and institutional racism even with positive class formations and declining significance of race in other geographical areas prescriptions for the continued viability of these diasporic populations are provided india and china are undergoing a global renaissance emerging as potentially significant economic political and cultural actors on the world scene meanwhile ancestral africa is still socially politically and economically fragmented thereby causing a new migratory push to north america and europe

women accomplish nearly two thirds of total work around the world including household duties comprise one third of the formal labor force but women receive one tenth of the world s income and own only one hundredth of the world s property entrepreneurship is a vehicle for advancing the lives of women around the world this book brings together 49 distinguished entrepreneurship scholars to provide a unique global vision of the wellbeing of women entrepreneurs necessary for fostering sustainable development and inclusive societies although gender inequality is an important issue solutions leading to gender parity are far from reaching ideal levels in the formal workplace and globally meanwhile the number of women involved in entrepreneurship is growing exponentially because there are more opportunities for women to own a business and be their own boss this offers women the most desirable and flexible working conditions that better align with women s lifestyles and multiple family responsibilities however entrepreneurial activities are demanding and complex compared to men women face special challenges that deserve close attention this book presents research and programs to effectively support women entrepreneurs in reaching levels of wellbeing required to ensure business sustainability and personal prosperity offering a diversity perspectives from around the globe the wellbeing of women in entrepreneurship is of great interest to academics and practitioners working in teaching and research in disciplines including business management entrepreneurship organizational change human centered management human resources sustainable development and women s studies

this two volume encyclopedia profiles the contemporary culture and society of every country in the americas from canada and the united states to the islands of the caribbean and the many countries of latin america from delicacies to dances this encyclopedia introduces readers to cultures and customs of all of the countries of the americas explaining what makes each country unique while also demonstrating what ties the cultures and peoples together the americas profiles the 40 nations and territories that make up north america central america the caribbean and south america including british u s dutch and french territories each country profile takes an in depth look at such contemporary topics as religion lifestyle and leisure cuisine gender roles dress festivals music visual arts and architecture among many others while also providing contextual information on history politics and economics readers will be able to draw cross cultural comparisons such as between gender roles in mexico and those in brazil coverage on every country in the region provides readers with a useful compendium of cultural information ideal for anyone interested in geography social studies global studies and anthropology

now in its fifth edition comparative education the dialectic of the global and the local has established itself as the state of the art comprehensive as well as sophisticated framework for taking into account the dynamic interactions of local national regional and transnational factors shaping education systems around the world our theoretical and methodological strategy for this volume has proven effective as a standard textbook for introducing the field of comparative education from various theoretical and methodological perspectives

the books in the florida and the caribbean open books series demonstrate the university press of florida s long history of publishing latin american and caribbean studies titles that connect in and through florida highlighting the connections between the sunshine state and its neighboring islands books in this series show how early explorers found and settled florida and the caribbean they tell the tales of early pioneers both foreign and domestic they examine topics critical to the area such as travel migration economic opportunity and tourism they look at the growth of florida and the caribbean and the attendant pressures on the environment culture urban development and the movement of peoples both forced and voluntary the florida and the caribbean open books series gathers the rich data available in these architectural archaeological cultural and historical works as well as the travelogues and naturalists sketches of the area prior to the twentieth century making it accessible for scholars and the general public alike the florida and the caribbean open books series is made possible through a grant from the national endowment for the humanities and the andrew w mellon foundation under the humanities open books program
